

To the Head of the Family

To you who are interested in making every dollar go as far as it's possible, we have a proposition. We believe we have the best Boys' and Girls' Shoes that money can buy—the largest organization of shoe dealers in New England say "They Are The Best."

Now what we want is to make this fact known to every one buying Boys' and Girls' Shoes. To do this we are going to make you a little inducement—we propose to give away with every pair of Boys' and Girls' Shoes at \$1.00 or over one pair of our best 15 cent Stockings for the next seven days, beginning Saturday morning.

Boys' and Girls' Shoes and Oxfords, from \$1 to \$3

Why RALSTON SHOES fit the feet

Ask any man who has ever worn a pair of RALSTONS what he thinks of them. He will tell you they're the most comfortable shoes he has ever worn. Try on a pair yourself and you'll say the same.

The secret of the exceptional fitting qualities of RALSTON SHOES lies in the fact that they're made over foot moulded lasts—exact replicas of human feet, following the graceful foot curves on top and sides and moulded on the bottom in conformity with the mounds and depressions of the natural foot. RALSTON SHOES—for this reason—need no "breaking in."

We shall be pleased to show you how perfectly we can fit your feet.
